Waiver I agree that neither Brandon Township, Brandon Township Parks & Recreation, nor employees/volunteers associated therewith may be held liable for injuries or losses sustained by the above-named participant/participant's family pertaining to involvement with the above-mentioned program for which the participant is being registered. My signature waives the right to seek damages for any such injury or loss and indicates agreement with the following refund policy parameters.

REFUNDS With the exception of team sports, program refunds are issued if requested in advance of the program start date. Refunds are NOT issued for absenteeism or for dates cancelled due to weather, field conditions, facility availability, or participant scheduling conflicts. League registrations for baseball, softball, soccer, coed volleyball, flag football and other team sports become non-refundable once the registration deadline has passed. Injury refunds are never retroactive. Prorated injury refunds are calculated based upon the date the recreation office receives direct notification of the injury by either the injured adult participant or by a parent/legal guardian of the injured minor participant, and are not based upon the injury date. Refunds are processed in the amount of the paid registration fee less a \$15 administrative fee. Refund checks are made payable to the signer of the registration form and mailed to the participant address as listed on the registration form. Checks are generally mailed within two weeks of the refund request date.
