

BRANDON TOWNSHIP PARKS & RECREATION

28th Annual SEPTEMBERFEST

Previous Sponsors:

SATURDAY, SEPTEMBER 23, 2017

28 YEARS OF FAMILY FUN!!!

Brandon Township Parks and Recreation is proud to join up with Meijer of Oxford, Genisys Credit Union, Randy Wise Ford, Consumers Energy, and The Michigan State University Credit Union to bring to you one of the best special events that Brandon Township has to offer. Septemberfest has offered fun for all ages since 1989 and continues to grow every year. Over one hundred vendors will bring arts, crafts, specialty items, helpful information, and a whole lot more. We offer a classic car show, talent show, free kids games and inflatables, live music from some of our area's top artists, and free contests. When you get hungry, take a walk down Pond Street and make your choice from a variety of food vendors. You can also visit the historic Old Mill and Mann School for free tours. Please make plans to join us in Ortonville for a family friendly fun filled day!
