

ORTONVILLE TV

OTV's mission is to promote standards of excellence in broadcasting while providing the highest quality of media production services for producing and promoting local activities, projects, sporting and special events, community, and educational programs.

We hope Ortonville and Brandon Township's cable television station is a valuable addition to the entire community by broadcasting our local events 24 hours a day, seven days a week on Channel 99. With a student-based broadcast staff, we hope that students can obtain comprehensive training in television production, video technology, writing, reporting, editing and program development. OTV-TV provides valuable training, employment, and internship opportunities for students enrolled in communication classes at Brandon High School. Students obtain hands-on experience in shooting, editing, studio, and field productions.
